Benefit Payment

Your plan pays a lump-sum **Initial Benefit** upon the first verified diagnosis of a Covered Condition. Your plan also pays a lump-sum **Recurrence Benefit⁴** for a subsequent verified diagnosis of certain Covered Conditions as shown in the table below. A Recurrence Benefit is only available if an Initial Benefit has been paid for the same Covered Condition. There is a Benefit Suspension Period that applies to Recurrence Benefits.

The maximum amount that you can receive through your Critical Illness Insurance plan is called the **Total Benefit Amount** and is 5 times the amount of your Benefit Amount. This means that you can receive multiple benefit payments until you reach the maximum of \$75,000, \$150,000 or \$250,000.
